CONTACT PERSON

Name:

Phone Number(s):

Email address:

Mailing Address:

What is the size of your booth? (sq ft)

Do you require power or use a generator?

## WHAT YOU NEED TO KNOW

The vendor/sales area for the Festival will be along Vermilion Avenue from the intersection of Vermilion and First Street down to the corner of Vermilion and Halliford. Both sides of the street can be used. No vendors are permitted to be in the grassed areas near the stages or on any of the sidewalks. Vermilion Avenue will be blocked off from 9:30 a.m. until 6:30 p.m. on both Saturday and Sunday. All vendors must be set up and their vehicles off Vermilion Avenue before 9:30 a.m. on both days.

Vendors are expected to supply their own tables, chairs and shelters. Signage will be provided to direct people to the vendor area, but vendors are also allowed to provide their own signs. Setup along Vermilion Avenue will be on a first-come-first-served basis. Other than the Festival Sales tent, there will be no reserved sites in the vendor area. Contact [vendors@princetontraditional.org](mailto:vendors@princetontraditional.org) if you have further questions.
